

The Games Collection

ELECTRONIC GAMES

Play the classic Uno game against up to 3 computer opponents with the amazing Electronic Uno – for the first time with a colour screen; or challenge Pearl Quest with its 3 game modes, and thousands of puzzles – it even has a touch screen & stylus!

XMAS WASGIJ?

The jigsaw world's runaway sales phenomenon now has a new addition to the range. Perfectly timed, Wasgij? Xmas #4 "White Christmas" has just been released. Exclusive to this catalogue!

SEQUENCE

For a limited time only, you can buy the incredibly popular Sequence game for this very special price! An international success story for decades, the game is easy enough for children, but challenging for adults, combining both luck and strategy for maximum fun! 2 to 12 players, ages 7 to adult.

PHOTOMOSAIC JIGSAWS

Thousands of miniature images combine to make one awesome portrait! Each 1000pc puzzle when finished is a work of art, and will give hours of delight. Six amazing puzzles to choose from, at an even more amazing price!
